Confirmation
Certification No.: 7219
Next Annual Renewal Due: March 1, 2018
3yr Certification Review Due: March 1, 2020

Ms. Baxter-Krause:

Congratulations! Your business continues to meet the state eligibility requirements as established in OAR 123-200-1000 - 2200 and remains Women Business Enterprise (WBE) certified subject to federal and state laws applicable to the transaction of business.

Please refer to the dates above. Continued certification is contingent upon annual reporting of personal and business income with a more thorough review of ongoing eligibility every third year. COBID will notify you in advance of your annual obligation to report.

You are required to notify COBID if, at any time, there is a material change in your firm, including changes in ownership, control, operational management, address, or contact information. You must notify this office in writing within 30 days of the change. Submit a Change Request through our online certification management system (<https://oregon4biz.diversitysoftware.com>), via U.S. Mail, or by email to cobid.web@oregon.gov. Notification should include any supporting documents. Failure to inform COBID of changes or to respond to requests for annual reporting may result in decertification.

Your Company remains in the **Directory of Certified Firms** publicly available at www.ORcobid.com. We recommend that you regularly view your firm's information in the Directory to confirm your contact information is current and that the description and NAICS codes listed accurately describe your services and/or products. Your inclusion in our Directory is key to vendors and agencies identifying and confirming your certification in Oregon. As long as your firm remains in the Directory, you are certified.

You may continue to compete for and perform work on any state, county, city, and special jurisdiction (e.g., universities, hospitals, etc.) funded projects throughout Oregon, receiving Women Business Enterprise (WBE) credit in the following areas:

NAICS 321114: PRESERVING PURCHASED WOOD AND WOOD PRODUCTS
NIGP 54041: LUMBER, TREATED: CREOSOTE, PENTA, WOLMANIZED, ETC.

If you have questions regarding your certification and the codes assigned, or if you do not have access to the internet, please contact our office and I can assist you.

Sincerely,

***SUPPLIER CLEARINGHOUSE
